

Service Contract Management Software

Hourglass IT's Service Contract Management Software is designed to streamline the entire lifecycle of service agreements, ensuring efficiency, accuracy, and enhanced customer satisfaction.

✔ Customer Management

- Store all customer data in one secure location.
- Agreements due for renewal in the next 30 days

✔ Service Contract Creation & Management

- Easily create and update service contracts with key terms like dates, services, and pricing.
- Set reminders for contract renewals to prevent lapses.
- Keep track of all services provided to each customer.

✔ Invoicing & Payment Management

- Automatically Generate invoices based on contract terms and schedules.
- Track paid and outstanding amounts for clarity on aging of debtors.

✔ Reporting & Analytics

- Generate tailored reports for contracts, services, and payments.
- Analyze service and financial metrics for continuous improvement.
